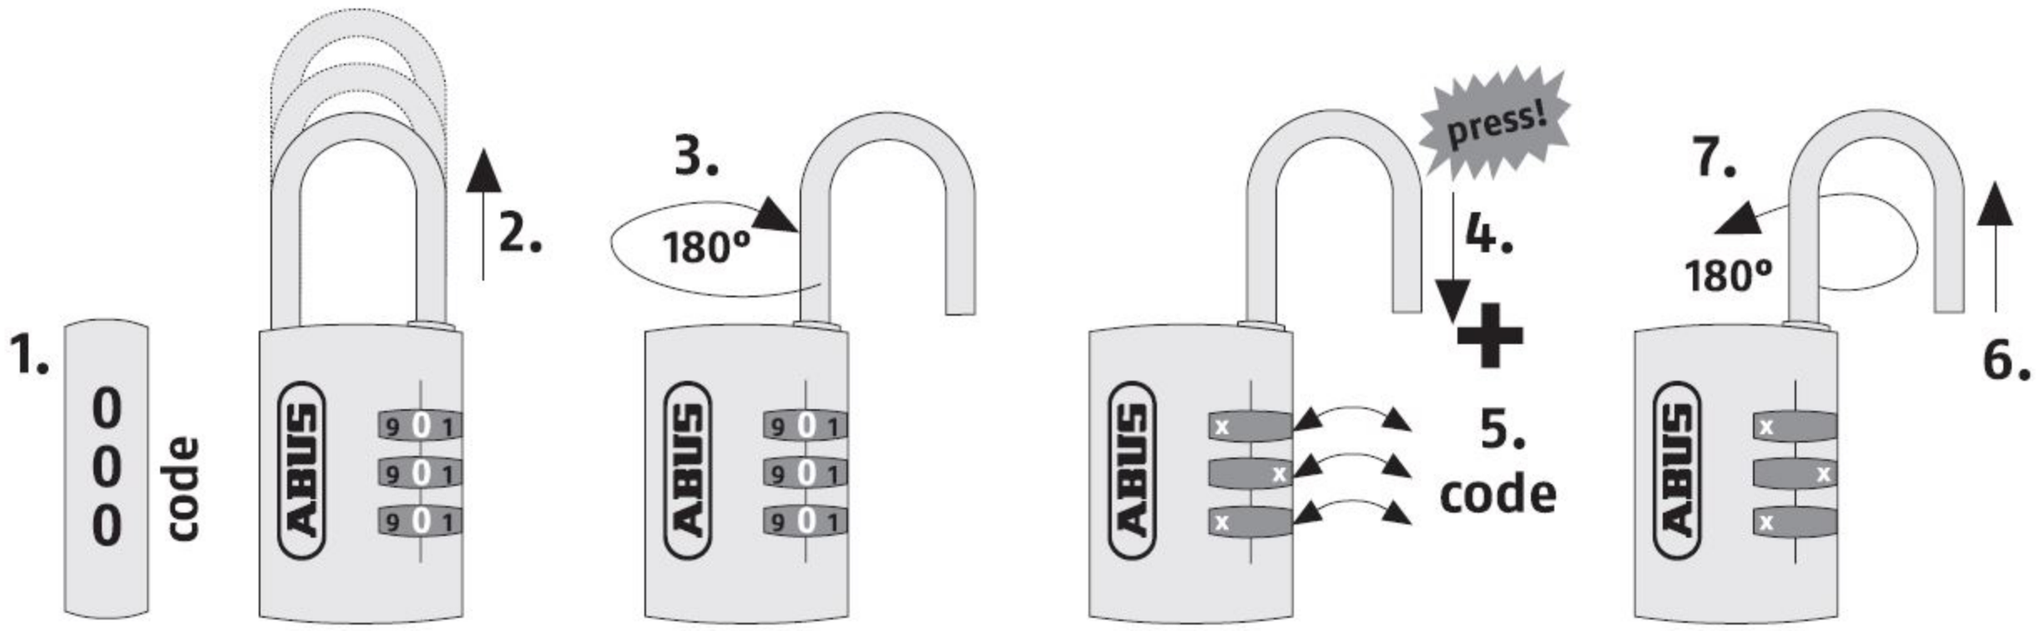
COMBINATION PADLOCKS

HOW TO CHANGE LOCK COMBINATIONS



1. Set code to 0-0-0 (factory default)
2. Open the shackle
3. Rotate the shackle 180°
4. Push the shackle down and hold
5. While holding the shackle down set the new combination
6. Lift the shackle and rotate it 180° to its original position
7. Combination has now been changed
