

New Silca Remote Car Key HON66R37 compatible with Honda*

Silca is pleased to introduce a new reference for duplicating Honda* remote car keys: the perfect solution for replacing damaged or lost original keys, or to have a duplicate in case of emergency.

Main features

The Silca Remote Car Key for Honda* HON66R37 has a similar design to the original key and is supplied ready-to-programme with the PCB, transponder and HON66 blade included.

The key features two function buttons (lock and unlock) and can be programmed with Smart Pro.

The key is packed individually in a plastic clamshell for easy identification and hook display.

The Silca Remote Car Key HON66R37 has been produced in conformity with the CE mark European standards.
